RE: Piedmont Natural Gas Company, Inc.  
Notice of New Natural Gas Construction Project  
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont is engaging in a project to install remote operated valves along a 12-inch steel transmission main in the Greenville Resource Center region and that the project will result in a cost greater than \$500,000. The project includes installing remote operated valves at the Fork Shoals Road Meter Station and the Greenville Border Station just south of the intersection of Old Piedmont Highway and White Horse Road. In addition, two other remote operated valves will be installed in the vicinity of Quality Way Road and Ellcon Drive and at Blakely Avenue between Carr Road and Reedy Fork Road. This project (FP0750988) is being performed pursuant to the Company's pipeline integrity management program. The Company expects this project to be completed by the end of March 2015.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Kally Couzens".
